Product Properties:

- Cleans, descales and deodorises.
- A powerful limescale remover.
- Stainless steel safe.
- Biodegradable.

Technical Properties:

State:	Liquid
Colour:	Purple
Odour:	Characteristic odour
Solubility in water:	Soluble
Viscosity:	Highly Viscous

Areas of Application:

- Suitable for use on toilet bowls and urinals, including stainless steel and chrome fittings.
- **DO NOT USE ON VITREOUS ENAMEL**

Composition:

Purple Maximum contains amongst other ingredients:
Orthophosphoric Acid CAS No. 7664-38-2
pH 2 typical

Directions of Use:

- Toilet Bowls:** Remove cap and aim under the rim at the water outlets, then around the bowl above the water level. Leave for 5 minutes and brush stubborn stains. To remove stains below the water level, force water round the S-bend with the toilet brush and apply as above. Rinse brush thoroughly after use.
- Urinals:** Apply evenly across the surface of the urinal, leave to react for 5 minutes before scrubbing stains with a brush. Allow to flush automatically and rinse brush.
- Sinks:** Wear protective gloves. Insert the plug and apply carefully to taps and spread around the inside of the sink. Allow to react for a few minutes and agitate with a cloth or sponge. Remove the plug and rinse thoroughly.
